"Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even unto the end of the world. Amen." Matthew 28:19-20

Dear supporting pastors and churches,

Language translation for the online salvation course continues. We are thankful for those who have taken the time to proofread and edit the transcripts as needed. We currently have four languages in progress. We are also targeting six additional languages, so we would appreciate prayer as we seek to find reliable proofreaders for each language. We are taking these opportunities one at a time as the Lord leads. Some have started the process but later stepped away because of the time and commitment involved.

Persian: There was a slight delay because we missed a setting on the first video, which resulted in some of the translation being clipped. Once we identified and corrected the issue, the first video was completed, and work is now underway on the second. *Russian:* The proofreader has finished the first two videos, and we gave him access to the third video last week. *Mandarin:* The first video has been completed, and work is now underway on the second. *Portuguese:* A proofreader signed up this past week, and we gave him access to the first video. The first one or two videos typically take the longest as proofreaders become familiar with the program and the process.

Testimonies also continue to come in from some of our graduates:

"It has been a great journey from the beginning to the end. It has been a thorough and rigorous study of God and His Word. I have had great teachers who guided me from the beginning to the end. My special heart of gratitude goes out. Thank you all for all that you do for God and His Churches. Thank you for offering these wonderful courses for free. Only eternity will reveal the impact of your work." – Willie

"I have completed three years of Biblical Studies at GBBC. Praise God! I would like to thank you and give glory to God for the opportunity you gave me to study online. I have learned a lot from the courses and instructors. The lessons I received have greatly enhanced my ministry and changed my life." – Pastor M

The Cora New Testament text file has been cleaned up and is being checked by Cora speakers. Once they give the go-ahead, Myra will begin typesetting. While waiting for that, she is working on her Typesetting class for next spring. She has seen small improvements in her health. This is especially encouraging because seasonal changes usually bring extra fatigue and pain. So far, this has not been as rough as previous years. Thank you for praying. Please continue praying for her health and for the following:

- New GBBC students will have a clear understanding of the gospel.
- The men working on the Mandarin, Persian, Portuguese, and Russian translations.
- God to provide more proofreaders for Hindi, Spanish, French, Arabic, Bengali, and Urdu
- Cora New Testament typesetting project, and for God to raise up more typesetters.

Thank you for your support and prayers,

Rob Johnson
