**Reaching Out**  
ministries

"Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world. Amen." Matthew 28:19-20

## **March 2021**

Dear supporting churches & prayer partners,

Technology has certainly been a blessing while being stateside. Manifold opportunities are awaiting if one is willing to learn and use. Orlando and I continue to be in contact either through SMS or video call. He has had many questions and is a 'sponge', soaking up what the Bible has to say. Often, we go through a lesson together, at other times we talk about the blessings, responsibilities, and trials of the Christian life. It is a joy to hear of the decisions he is making for the Lord, some of which are quite difficult.

Cida, the housekeeper at the family farm, and previous adherent to Catholicism has been incredibly open to the gospel. Orlando recently informed me that she is close to being saved. What a blessing to hear that he is recognizing this openness and gaining confidence in reaching those around him. Please continue to pray for Orlando's father. Culturally, it is difficult to reach fathers, as patriarchs of the family, and have them recognize the need to submit themselves in any way, especially in spiritual matters. Most importantly pray that he submits himself to the Holy Spirit!

The Lord has bought others across our path and given opportunities to do various Bible studies and even some counseling while in Fargo. It reminds us that there is a ministry need everywhere we go concerning both the lost and saved.

I continue with the online TEFL certification course. I should finish it by the end of April. Your prayers would be appreciated.

We should learn more next month about our ability to attain visas, with the hope of arriving in Brazil sometime this year. It has always been a process, but it has been even more of a delayed process with Covid-19. We wait on the Lord and appreciate those that are assisting us with this matter. Wouldn't life be easier without the need for visas? I think I hear many amens' there.

Thank you for praying for my wife's health. While stateside we have been able to get some tests through her cardiologist. Apart from the mitral valve prolapse, these have been encouraging. We are still seeking answers and getting help for her autoimmune and thyroid issues.

Thank you for your prayers and continued financial giving.

God bless,

Rob & Myra Johnson
